

COLLEGE MANAGEMENT SYSTEM

OVERVIEW

- **School College Management System Software** is a complete solution for managing a school/college online, in other words an enhanced tool that assists in organizing the day-to-day activities of a school/college.
- This School/college Management software has been engineered considering the vital needs of all the stakeholders in the school /college system, namely, principal, administrator, teachers, students, parents, security and others.

Character is like a tree and reputation like its shadow. The shadow is what we think of it; the tree is the real thing. - Abraham Lincoln
